by nüte

we're unbounded by cuisine,
but inspired by the freshness along the
mediterranean shores, and the umami flavours
and fermentation culture of japan.

our energy is all about having a good time.
here it means being with family and friends,
enjoying sharing plates of fresh comfort food,
and sipping lo-fi wines as soon as they arrive
on your table.

if you have any allergens or dietary requirements,
please let us know upon ordering.

thank you for visiting -
slow down and enjoy.

our wine list is a collection from small-batch producers producing minimal intervention wines around the world.

they tend to be less-known gems
- many are by the glass so please you try away.
